### About the club...

The Gem and Mineral Club of Scarborough (GMCS) is a hobby club founded in 1963 and incorporated as a not-for-profit corporation in 1997. Our aims, objectives and purpose are to:

- Encourage and promote all aspects of the hobby of collecting and studying rocks, minerals and fossils and of pursuing all types of lapidary work.
- Provide a forum for the free exchange of information and ideas regarding the hobby.
- Conserve natural resources.
